WELCOME TO

ATLANTIC CANADA'S *Hidden Histories* G E O T O U R

Launched on July 31, 2022 this GeoTour became one of only 100 worldwide Geotours developed to Geocaching Headquarters standards and promoted by them. This Geotour aims to highlight various diverse and sometimes relatively unknown histories in Atlantic Canada. The number of histories revealed and geocaches placed will grow over time. At initial launch there were 16 geocaches highlighting Black History in Atlantic Canada featuring six locations in the greater Fredericton New Brunswick area, and ten locations in Nova Scotia.
